 278 Cobblestone Place Dr.
Goodlettsville, TN 37072

Experience

Full Stack Software Developer

Nashville Software School

Apr 2020 - Present

- Using HTML, CSS, and JavaScript facilitated learning the framework React which was used to develop my midterm capstone.
- Implemented full CRUD functionality on my capstone and created a mobile friendly version of the app
- Using Python facilitated learning the framework Django, which was used for my final capstone.
- Learned SQL to store and access data from relational databases
- Gained experience working in teams

Lead Teller

Wells Fargo

Apr 2020 - Present

- Display a friendly, positive attitude toward serving customers and possess strong customer service skills
- Build relationships with customers that go beyond one interaction
- Engage customers in meaningful financial conversations that include understanding what's important to them, and introduce them to bankers, when appropriate, to further assess their needs

Mathematics Teacher

Sumner County Schools, Smith County Schools

Jan 2014 - Jul 2016

- Maintain discipline in the classroom
- Provide resources for lessons, simplify lesson plans to match the objectives in the curriculum
- Assess and track student progress of 120+ students throughout the school year
- Work together with other Math teachers to efficiently plan and coordinate work to provide students the knowledge they need to succeed
